March 2011

Welcome New Affiliate

NISS welcomes our new affiliate, the Department of Statistics at Virginia Tech. Eric Smith, department head, is their representative.

Workshop on Microsimulation Modeling for Surveys

The workshop will be held April 7, 2011 in Washington DC at the Bureau of Labor Statistics. It will cover topics such as simulation models to inform health policy, optimizing call scheduling to minimize data collection costs and accounting for uncertainty in microsimulation models. For more information and to apply, [click here](#).
