& COPSS Leadership
Academy

Topic: Leadership in Statistical Research: Pivoting for Impact and Success

Join us for the COPSS-NISS Leadership Webinar, focusing
on statistical leadership in research!

This session explores strategic career pivots,
interdisciplinary collaborations, and leadership in
statistical research across academia, industry, and
government. Attendees will gain insights into navigating
career transitions, fostering impactful research, and
advancing professional growth.

*Statisticians and data scientists at any stage in their
careers are invited to attend.*

THURSDAY, MARCH 27, 2025
12-1 P.M. ET / 9-10 A.M. PT

NO FEE, ZOOM
PRE-REGISTRATION
REQUIRED
