COPSS NISS | National Institute of Statistical Sciences

Leadership Webinar Series

with moderator EDGAR DOBRIBAN

University of Pennsylvania Wharton School of Medicine & COPSS Leadership Academy

ARNAUD DOUCET
Oxford University

Professor of Statistics, Oxford University

Senior Staff Research Scientist, Google DeepMind

BIN YU
University of California at Berkeley

Chancellor's Distinguished Professor, Departments of Statistics and of Electrical Engineering & Computer Sciences, University of California at Berkeley

Topic: Leadership in Data Science, Machine Learning and AI

Join us for a webinar on the topic of leadership in the fields of data science, machine learning, and AI!

The focus of this event will be the role of statistics and statisticians in our ever-changing world where interest in AI is rapidly growing.

Statisticians, data scientists, as well as machine learning and AI researchers at any stage in their careers are invited to attend.

**TUESDAY, SEPTEMBER 24, 2024
12-1 P.M. ET / 9-10 A.M. PT**

NO FEE, ZOOM PRE-REGISTRATION REQUIRED
