Statistical Sciences

# WRITING WORKSHOP & GSN MEETUP AT JSM

**RSVP NOW**

## Writing Workshop Day 3

All participants from the writing workshop series and the Graduate Student Network are invited to join us at JSM for this meetup! RSVP to reserve your spot!

**Guest Speakers**

**Networking**

**Professional  
Development**

**Mentor &  
Collaboration**

## Graduate Student Network

This year we invite the NISS Graduate Student Network to take part in day 3 of our Writing Workshop to hear from our participants about their experiences, research journey and foster new connections!

**LEARN MORE**

## Networking

Meet and network with the Writing Workshop participants and mentors along with others in the Graduate Student Network!

## Graduate Students

Hear from our Writing Workshop participants about their experiences, research journey and foster new connections!

## Mentor & Collaboration

Our Writing Workshop Mentors will return on Day 3 to chat and network with their mentees and meet with members of our NISS Graduate Student Network.

# JOIN US AT JSM FOR THIS NETWORKING MEETUP!

This is a great networking opportunity to gather with students and professionals to build and expand your connections. Meet new people, exchange information, share ideas, and explore potential collaborations!

### Featuring Guest Speakers:

## Panel C: Speaking from Experiences and Career Development

**Panelists:** Ali Shojaie (University of Washington) Edsel Pena (NSF), Piaomu Liu, (Bentley University), and Yanling Zuo (Minitab)

**Moderator:** James Rosenberger (NISS/PSU)

**Location:** InterContinental Toronto Centre | Room: I - Caledon; 225 Front St W, Toronto, ON M5V 2X3, Canada
